

# RAINBOW CLUES

Hand to your child:

Trying to rhyme orange is a strange thing, but look for that color under something that rings.

Place by a phone or ringing toy:

You found me, hooray! Next up is violet. Go find it near what you wear to go out for the day.

Place by your child's coat or shoes:

You got it! You know what to do! Now by the couch look for something blue!

Place by the couch:

Yes! You found blue. Next, to find the color green, run to the place where you get clean.

Place by the bathtub:

A leprechaun is a very lucky fellow. Go find your treasure under a table by the color yellow!

Place under a table:

Treasure!
